

# Move over paper payments, associations are going digital.

Find out 5 big ways digital payments can help your small staff association.

## Don't lose hours processing paper payments.

Get faster, easier, and more secure payment processing capabilities with YourMembership.

Did you know it can take days (even weeks) to receive and process a check?

## Debating whether you should go digital or not?

With YourMembership on your side you can:

### ▶ Deliver a better member experience.

Discover when you offer a modern, convenient experience you can ultimately gain greater member satisfaction and loyalty.

### ▶ Keep payments more secure.

Are you familiar with tokenized payments? This functionality can greatly enhance the security of your credit card and ACH transactions.

### ▶ Put payments to work faster.

Don't worry about possible bounced checks anymore. Accepting digital payments allows you to receive payments almost immediately.

...

**Beware!**  
Check theft and fraud are on the rise.

Nearly  
**9 in 10**  
Americans are now using some form of digital payments.

### ▶ Reduce lapsed memberships.

With our digital payment functionality, you can offer an option for members to auto-renewal their memberships using their stored credit card.

### ▶ Save staff time.

Automatically update changes to credit card information (expired, lost, stolen, etc) to reduce the need for staff to contact members for their updated information.
